Activity ideas to remind us of the creation story

- Try and write down all of the animals that went into the Ark
- Have a go at making skittles colours dissolve to make a rainbow
- Try and build a boat that floats!

Craft ideas to remind us of the creation story

- Pair up animals and colour them in.
- Create a rainbow with tissue paper
- Make a paper plate ark and count the animals in
- Make an origami boat and see if it floats!

Challenge of the month!

Try and build a big boat that floats! Use lots of different materials, things like old milk bottles for the base and old tubes for the side or crisp packets! Try and see how many animals will fit in until it sinks!

Questions for you to chat about with your family

- What is the biggest thing you have ever built?
- How long did it take you?
- How many animals were on the Ark?
- Can you remember why God told Noah to build the ark?
- Have you ever seen a rainbow?
- In today's story what does the rainbow mean?

Prayer

Dear Lord Jesus, we thank you that you kept Noah safe because he mattered to you, and thank you that we matter to you. We pray you will help us to remember that we matter to you and that you love us. Amen.
